

2014-10

Happy Thanksgiving! Hope you are enjoying the Fall colours & days!

I am sending information on 2 events which may be of interest to you:

Tuesday, **Oct. 21** - [Managing Grizzly Bears](#) in the M.D. of Foothills, 7:00 pm at the Millarville Racetrack Hall (JPG Ad attached)

Tuesday, **Oct 28** - [SW Calgary Ring Road](#) public meeting at Spruce Meadows, from 4:30 to 8:00 pm at the British House: <http://www.transportation.alberta.ca/5791.htm>

Re: SW Calgary Ring Road - the M.D. of Foothills Public Works Staff are meeting with Alberta Transportation monthly on this, advising Council, and making sure that M.D. of Foothills residents and municipal road concerns are considered in the design. Recently, I wrote a letter to Alberta Transportation, which was submitted by our council, to request that Dark Sky lighting be used on the ring road. Many details of the plans are available on the Alberta Transportation website <http://www.transportation.alberta.ca/804.htm> and you can take a virtual ride on the ring road <https://www.youtube.com/watch?v=BmdW85JmnWE&feature=youtu.be>

Other Info:

Hope you survived Tree-mageddon on Sept. 10-11. It has been weeks of clean up for many of us. The M.D. of Foothills wanted to help out our residents by allowing a no-fee delivery to the regional landfill for debris from the event. If you had branches from the event that you wanted to get in to our landfill and missed the deadline (Oct. 11), let me know and I will check into a late delivery for you... If you are burning your tree debris, remember to get a burning permit (call the MD office 403.652.2341) so you don't get a costly bill for an unnecessary fire department visit, if a worried observer calls because they see a fire at your place. If you have a permit and call it in as required, the 911 operator will know about it and inform any concerned callers.

Best Regards,  
Suzanne Oel  
Councillor, Div. 4  
M.D. of Foothills

**P.S.** I am emailing you this information because I thought you may be interested in this update about the M.D. of Foothills and our area (and we have been in touch previously). If you do not want to receive a newsletter from me occasionally, [please let me know](#) and I will not send any more information, or change your contact info if needed. Please share this information with your neighbours if you wish.
